CROSSFIRE™ BRASS BURNER

CROSSFIRE™ BRASS BURNER & MATCH-LIT SYSTEMS

The Warming Trends™ Crossfire™ Brass Burner will make a stunning addition to your outdoor atmosphere. Warming Trends™ offers you a variety of sizes and shapes of Crossfire™ Brass Burners and Match-Lit Systems to meet all your outdoor and patio warming needs. Whatever your desires are, we have a product to meet them or we will craft it for you. Warming Trends™ design and manufacture custom Crossfire™ Brass Burners to your specifications.

PATENTED CROSSFIRE™ BRASS BURNER

The Warming Trends'™ ICC Design Certified Crossfire™ Brass Burner is a state-of-the-art outdoor patio flame system. The Warming Trends'™ system was established with a specific air-to-gas mixture ratio which produces a taller, brighter flame while using half the fuel of conventional fire rings. This innovative technology has allowed our product to outperform all others on the market.

- ICC Certified
- Lifetime Warranty
- Venturi Jet Technology
- Optimized Fuel-to-Air Ratio
- Twice the Flame, 1/2 the Gas
- All Brass Burners
- Corrosion-Free Materials
- Match-Lit or Electronic Ignitions
- Natural Gas or Liquid Propane
- With/Without an Aluminum Plate or Pan

We take pride in our craft and back all of our Crossfire™ Brass Burners with a FULL LIFETIME WARRANTY.
